

Play and Engage Families in Play at the Library! Volunteer as a "Play Champion!" today!

Play Champion volunteers create enriching experiences for babies, children, and their caregivers by encouraging play in the Library's Early Learning Centres. They set up and run activities and games, reinforcing the importance of play in early childhood development. Volunteers select a regular weekly shift (usually two hours long), and we require a minimum commitment of four months.

If you love playing and interacting with children, chatting with parents, are outgoing and friendly, and have strong English language skills, you may be a perfect fit for this program! We are currently recruiting volunteers with daytime or weekend availability at:

Country Hills Library (11950 Country Village Link NE)

Nose Hill Library (1530 Northmount Drive NW)

Seton Library (4995 Market St SE)

Shawnessy Library (333 Shawville Boulevard SE)
